

Nourish Festive Craft Workshop

Thurs 4th Dec 2025

A hands-on workshop filled with activities for practitioners, children and their families.

The children and young people loved making snow dough and playing with the gingerbread-scented playdough. There was great excitement as they designed and decorated gingerbread people in all shapes and sizes.

Alongside this, families could explore a wide range of creative winter crafts together, including printing winter snow scenes, cotton-wool Santa faces, sensory bottles, pine-cone Reindeer and Christmas trees, paper cake-case Christmas trees, festive finger puppets, and snowball poppers.

The room was full of imagination, laughter, and festive energy as adults and children created side by side.

Comments:

I enjoyed all the session, it kept me busy and
(H) had a blast (parent).

(C) Did have a great time. I got to chill with family (parent).
It was just perfect, perfect (M child).

I liked it (child).

Tremendous fun today with Sharon and Stacey
making Christmas crafts, thank you!

Lovely chats, lovely crafts and a lovely time
with Sharon and Stacey.
