

Wildlife Spotting Bingo

 A small garden bird (sparrow, robin, blue tit)	 A leaf with an interesting shape	 A butterfly or moth	 A ladybird or tiny beetle
 A flower in bloom	 A bee or bumblebee	 A log, stick or fallen branch	 A spider or spider's web
 A feather on the ground	 A weather sign (cloud, sun, rain, rainbow)	 A snail or slug	 Animal footprints or bird tracks

How many did you spot?

**Remember: Look with your eyes, not your hands
keep wildlife safe.**

Take your bingo card outdoors and see how many wildlife wonders you can spot. Tick off each square as you find it. Complete a row, column or the whole card to become a Nature Bingo Champion!
